This section is applicable only to (a) candidates for King's India Cadetships, who are sons of persons who have been served in India in the Military or Civil Services of His Majesty or of the East India Company, and (b) candidates for Honorary King's India Cadetships, who are sons of Indian holders of the King's Commission in the Indian Army or Indian Medical Service.

King's India cadets.

48. King's India cadets will be nominated by the Secretary of State for India in Council under the provisions of 21 and 22 Vict. c. 106, and 23 and 24 Vict. c 100, from sons of persons who have served in India in the military or civil service of His Majesty, or of the East India Company.

Honorary King's India Cadetships.

49. Three honorary King's India cadets are nominated annually by the Secretary of State for India in Council.

Such cadets are appointed from—

(a) The sons of officers of the Indian Army or Indian Medical Service who were killed in action or have died of wounds received in action within six months of such wounds having been received, or from illness brought on by fatigue, privation, or exposure, incident to active operations in the field before an enemy, within six months after their having been first certified to be ill.

(b) The sons of officers of the Indian Army or Indian Medical Service who have attained the brevet or substantive rank of major or lieutenant-colonel, and have performed long or distinguished service.

Applications.

50. An application for King's India cadetship or for an honorary King's India cadetship on behalf of an Indian candidate should be addressed to the Secretary to the Government of India, Army Department.

Age and qualifying examinations.

51. King's India cadets and honorary King's India cadets will be required, before admission to the College, to qualify (*i.e.*, obtain 50 per cent of the marks allotted to each of the three obligatory subjects of Class I) at an Army Entrance Examination, and to furnish satisfactory evidence that they are eligible with regard to age and character. For limits of age, *see* paragraph 2.

52 King's India cadets may be exempted from paying the following sums towards covering the expense of uniform, books, library, recreation, etc (included in the contributions referred to in paragraph 10) if so decided by the India Office:—

Discipline.

53. Cadets are subject to such rules and regulations as are, or may be, from time to time established for the maintenance of good order and discipline at the Cadet College.

Rustication, &c.

54. The Commandant has the power of rusticating and also of sentencing a cadet for misconduct to drop a term or to lose places in the list of successful candidates for commissions. In all such cases, the circumstances will be reported by the Commandant to the Under Secretary of State, the War Office. A rusticated cadet will forfeit his right to be considered for the Indian Army or the Royal Army Service Corps.

Dropping a term.

55. A cadet may, by order of the Commandant, who will report the circumstances to the Under Secretary of State, the War Office, be kept for two consecutive terms in the same division, either as a punishment for a breach of discipline, or in the case of a backward cadet, where it is considered that he would benefit by extra instruction.

Removal or expulsion.

56. In cases requiring more serious notice, cadets are liable, on the report of the Commandant to the Under Secretary of State, the War Office, to be—

(1) removed; or
(2) expelled.

57. The name of any cadet expelled will be recorded at the War Office, and may, if in the opinion of the Army Council the circumstances warrant it, be made known to the First Lord of the Admiralty, the Secretary of State for India, the Secretary, the Air Ministry, and the Civil Service Commissioners, in order to prevent the admission of the ex-cadet into His Majesty's naval, military, or air service, or home, colonial, or Indian civil service.

58. A cadet is also liable to be removed from the Cadet College—

(1) for moral or physical unfitness;
(2) for unsatisfactory progress in his studies, or physical exercises; or
(3) if reported by the Commandant as not likely to become an efficient officer.

59. On receipt of information from the Secretary of State for India of the removal or expulsion of an Indian cadet from the College, the Local Government or Administration concerned will be notified in order that the parent or guardian of the cadet may be informed.

Saluting.

60. Cadets will salute all officers in uniform and those whom they know to be officers when not in uniform. They will also salute the civilian professors and instructors of the Cadet College.

Punishment.

61. Officers Commanding Companies have certain powers of punishment delegated to them, and will report to the Commandant, through the adjutant, all punishments which they may inflict.

62 Officers, chief instructors, professors and instructors are not permitted to give private instruction as payment to cadets either during the vacation or at any other time.

Presents.

63. No person belonging to the Cadet College is to receive a present from any cadet, or from the relations or friends of any cadet. Any non-commissioned officer, or employee, who accepts a present is liable to be removed or discharged, and the cadet giving it to be punished for disobedience of orders.

Messing.

64. They will, while at the Royal Military College, belong to the ordinary College Mess and no special messing arrangements can be made on their behalf.

Uniform.

65 Indian cadets are required to appear at all times in the uniform of the College except when on leave or when otherwise exempted by the Commandant, but they will be allowed to wear their national head dress should they so desire.

66. They will not be allowed to take servants or personal attendants of any kind to the College.

Families of candidates.

67. One of the rules for admission to the Royal Military College is that a cadet should be unmarried. This rule will be waived in the case of Indian candidates, but in no circumstances will a cadet be allowed to take his wife or family to England.

Appointment to Commission.

68. Cadets from India will have to qualify in the ordinary passing out examination and will, on qualifying, be eligible for King's commissions. Before being passed fit for a commission, they must be certified to be in good mental and bodily health and free from any physical defects likely to interfere with the performance of their military duties. Those who are successful in obtaining commissions will enter the Indian Army as Second-Lieutenants.

The appointment of Gentlemen cadets, after passing out of the Royal Military College, to particular regiments of cavalry and infantry, is governed by the existence of vacancies and the requirements of the service. Indian Cadets will be posted to one of the units selected for Indianisation; subject to these conditions, appointments will be made on the following principles:—

(1) The first consideration will be given to those cadets who pass out highest on the list of successful candidates from the Royal Military College, but the Government of India reserve the right to consider special family or territorial claims irrespective of the candidate's position on the list.

(2) A cadet having any special family or territorial connexion with a regiment should describe this connexion on the preference form which he will be required to fill in during his last term at the College, and careful consideration will be given to such claims in deciding the question of his appointment.

(3) Candidates without special claims are at liberty to apply for particular regiments (not exceeding three).

(4) In making first appointments the candidates' wishes, as stated on the preference form, will be met as far as practicable, having due regard to the preceding paragraphs.

There is no objection to a Colonel of a regiment submitting a recommendation to Army Headquarters, India, on behalf of a cadet whom he may desire to be appointed to his regiment.

69. Prospective Indian candidates who are resident in India should apply for nomination to the entrance examinations held in India, and only those candidates who have been resident in the United Kingdom for several years will be permitted to present themselves for examination by the Selection Board held in that country. The Selection Board held in the United Kingdom is set up for the purpose of examining candidates who have been resident in the United Kingdom for several years and have received their education in that country, and not as an alternative to the examination held in India for candidates educated in India.

He will stand erect without rigidity, and with the heels, calves, buttocks and shoulders touching the standard; the chin will be depressed to bring the vertex of the head level under the horizontal bar, and the height will be recorded in inches and parts of an inch to quarters.

4. The candidate's chest will be measured as follows:—He will be made to stand erect with his arms hanging and to raise his arms over his head. The tape will be so adjusted round the chest that its upper edge touches the inferior angles of the shoulder-blades behind, and its lower edge the upper part of the nipples in front. The arms will then be lowered to hang loosely by the side and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

The minimum and maximum will then be recorded thus in inches, $\frac{32}{35}$, $\frac{33}{35}$; etc.

In recording the measurements, fractions of less than half an inch should not be noted.

5. The candidate will also be weighed and his weight recorded in pounds. Fractions of a pound should not be noted.

6. The examination for determing the acuteness of vision includes two tests—one for distant, the other for near vision. The Army Test Types will be used for the test for distant vision, without glasses, at a distance of 20 feet, and for the test for near vision, without glasses, at any distance selected by the candidate. The standards of the minimum acuteness of vision with which a candidate will be considered fit are as follows:—

STANDARD I.

	Right eye.	Left eye.
Distant vision—	V = 6/6.	V = 6/6.
Near vision—	Reads 6, 6.	Reads 6, 6.

STANDARD II.

	Better eye.	Worse eye
Distant vision.—	V = 6/6.	V_1 without glasses=not below 6/60; and after correction with glasses = not below 6/24.
Near vision.—	Reads 0,6.	Reads 1.

STANDARD III.

	Better eye.	Worse eye.
Distant vision—	V_1 without glasses=not below 6/60, and after correction with glasses= not below 6/6.	V_1 without glasses = not below 6/60; and after correction with glasses = not below 6/12.
Near vision—	Reads 0, 6,	Reads 1.

Each eye must have a full field of vision as tested by hand movements.

Squint or any morbid condition of the eyes or of the lids of either eye liable to the risk of aggravation or recurrence will cause the rejection of the candidate.

Each eye will be examined separately, and the lids must be kept wide open during the test.

Inability to distinguish the principal colours will not be regarded as a cause for rejection, but the fact will be noted in the proceedings and the candidate will be informed.

The degree of acuteness of vision of all candidates for commissions will be entered in the proceedings in the following manner:—

V.R.= ....; with glasses=....; Reads....
V.L.= ....; with glasses=....; Reads....

No relaxation of the standard of vision will be allowed.

7. The following additional points will then be observed:—

(b) That his speech is without impediment.

(c) That his teeth are in good order. He must have ten sound teeth in the upper jaw *functionally*

opposed to ten sound teeth in the lower jaw. Two of these teeth in each jaw must be molars. Well filled teeth will be considered as sound.

(*d*) That he chest is well formed and that his lungs and heart are sound.

(*e*) That he is not ruptured.

(*f*) That he does not suffer from a severe degree of varicocele * or varicose veins. A candidate who has been successfully operated on will be accepted.

(*h*) That there is free and perfect motion of all the joints.

(*i*) That his feet and toes are well formed.

(*k*) That he does not suffer from any inveterate skin disease.

(*l*) That he has no congenital malformation or defect.

(*m*) That he does not bear traces of previous acute or chronic disease pointing to an impaired constitution.

* Severe varicocele is defined as follows:—

(1) Where the mass of veins is so great that it hangs down in front of the testicle when the candidate stands up.

(2) If the cord is elongated to such an extent that the testicle hangs at a level obviously lower than normal, of course, allowing for the fact that the left testicle is usually at a lower level than the right.

(3) If there is atrophy to such an extent that the affected testicle is estimated at less than half of the bulk of the gland on the sound side.

(4) Undescended testicle should only be considered a disqualification when situated within the inguinal canal or at the external ring.

FOREIGN AND POLITICAL DEPARTMENT.

Simla, the 22nd May 1928.

No. 810-H.—The following regulations, respecting Foreign Orders and Medals, which have been recently revised by Command of His Majesty the King-Emperor of India, are published for general information. These Regulations supersede those published in the Notification by the Government of India in the Foreign and Political Department, No. 431-H., dated the 13th September 1926 :—

I

REGULATIONS RESTRICTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS IN THE SERVICE OF THE CROWN.

Orders.

1. No person in the Service of the Crown shall accept or wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either :—

(a) By Warrant under the Royal Sign Manual, or

(b) By restricted permission conveyed through the Keeper of His Majesty's Privy Purse.

2. When permission is given by Warrant under the Royal Sign-Manual, the Insignia of the Foreign Order may be worn at all times and without any restriction.

When restricted permission is given the Insignia may only be worn on the occasions specified in the terms of the letter from the Keeper of His Majesty's Privy Purse conveying the Royal sanction.

3. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases :—

For a Decoration conferred—

On an Officer in His Majesty's Naval, Military or Air Forces lent to a Foreign Government; on an Officer in His Majesty's Naval, Military or Air Forces attached by His Majesty's Government to a Foreign Navy, Army or Air Force during hostilities, or on any British Official lent to a Foreign Government and not in receipt of any emoluments from British public funds during the period of such loan.

4. Restricted permission is particularly contemplated for Decorations which have been conferred in recognition of personal attention to a foreign Sovereign, the Head of a Foreign State, or a member of a foreign Royal Family, and which are therefore of a more or less complimentary character, but will also be granted for Decorations conferred on other exceptional occasions when in the public interest it is deemed expedient that they should be accepted.

5. Restricted permission will generally be given for Decorations conferred in the following cases, but, as indicated in the preceding paragraph, will not necessarily be limited to these cases :—

(1) On British Ambassadors or Ministers abroad when the King pays a State visit to the country to which they are accredited ;

(*Note*.—A State visit is defined as one on which the King is accompanied by a Minister or High Official in attendance.)

(2) On Members of Deputations of British Regiments to Foreign Heads of States ;

(3) On Members of Special Missions when the King is represented at a Foreign Coronation, Wedding, Funeral, or similar occasion ; or on any Diplomatic Representative when specially accredited to represent His Majesty on such occasions (but not on the members of his Staff).

Restricted permission will not be given to—

(a) British Ambassadors or Ministers abroad when leaving, except on final retirement from His Majesty's Diplomatic Service and in respect of a decoration offered by the Head of State to whom they were last accredited ;

(b) British Officers attending Foreign Manœuvres ;

(c) Naval Officers of British Squadrons visiting Foreign Waters.

6. Both in the case of full and of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs, who shall be under no obligation to consider applications for permission unless the desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order is notified to him before the Order is conferred, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St. James.

7. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette."

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10s.

8. The Warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant so registered shall contain a clause providing that His Majesty's licence and permission does not authorise

the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

Medals.

9. Medals, with the exceptions specified below, and State decorations not carrying membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission is given by Letter and not by Royal Warrant.

10. Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a Foreign State or by private Life Saving Societies or Institutions, may be accepted and worn without His Majesty's special permission;

Subject, however, in the case of members of His Majesty's Naval, Military or Air Forces, to any restrictions imposed by the King's Regulations for those Services as to the wearing of such medals with uniform.

Applications for His Majesty's permission to wear other Medals conferred by Private Societies or Institutions and Commemorative Medals cannot be entertained.

11. The King's unrestricted permission to accept and wear a Foreign War Medal will only be given to (1) Members of His Majesty's Naval, Military or Air Forces if serving with a Foreign Army, Navy or Air Force with His Majesty's licence, and (2) Military, Naval or Air Attachés or Officers and other ranks and ratings officially attached to Foreign Armies, Navies or Air Forces during hostilities.

12. In exceptional cases, when for special reasons it is deemed expedient that the acceptance of the medal should not be declined, His Majesty will grant restricted permission. Such cases will be judged on their merits, and the circumstances in which the medal may be worn will be specified in the letter conveying His Majesty's permission.

General.

13. Ladies are subject to the regulations in all respects in the same manner as men.

II

REGULATIONS RESPECTING FOREIGN ORDERS AND MEDALS APPLICABLE TO PERSONS NOT IN THE SERVICE OF THE CROWN.

Orders.

1. No subject of His Majesty shall accept or wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either:

(*a*) By Warrant under the Royal Sign Manual, or

(*b*) By restricted permission conveyed through the Keeper of His Majesty's Privy Purse.

2. When permission is given by Warrant under the Royal Sign-Manual, the Insignia of the Foreign Order may be worn at all times and without any restriction.

When restricted permission is given the Insignia may only be worn on the occasions specified in the terms of the letter from the Keeper of His Majesty's Privy Purse conveying the Royal sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed to meet cases in which the Decoration has been earned by valuable service rendered to the head of the State conferring it, or to the State itself. Such service must have been both of manifest and substantial value to the head of the State or State concerned and not inconsistent with British interests; and must have been rendered within the period of five years immediately preceding the notification of the Decoration to His Majesty's Government as prescribed under Rule 5.

4. Restricted permission is particularly contemplated for Decorations which have been conferred in recognition of personal attention to a foreign Sovereign, the Head of a Foreign State, or a member of a foreign Royal Family, and which are therefore of a more or less complimentary character, but will also be granted for Decorations conferred on other exceptional occasions, in the case of services of manifest and substantial value when not rendered direct to the Foreign State, or when in the public interest it is deemed expedient that they should be accepted.

Restricted permission will not be granted in the case of Decorations conferred for services rendered more than five years previously.

5. Both in the case of full and of restricted permission the matter will be submitted to the King by His Majesty's Principal Secretary of State for Foreign Affairs, who shall be under no obligation to consider applications for permission unless the desire of the Head of a Foreign State to confer upon a British subject the Insignia of an Order is notified to him before the Order is conferred, either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through the Diplomatic Representative of the latter at the Court of St. James.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Insignia of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause a Warrant, if it be a case for the issue of a Warrant as defined in Rule 2, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be inserted in the "Gazette."

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of 10*s.*

7. The warrant signifying His Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant as aforesaid shall contain a clause providing that His Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realms.

Medals.

8. Medals, with the exceptions specified below, and State decorations not carrying membership of an Order of Chivalry, are subject to the Regulations in the same manner as Orders, but permission to wear is given by Letter and not by Royal Warrant. No permission is needed to accept a Foreign Medal if it is not to be worn.

9. Medals for saving or attempting to save life at sea or on land, whether conferred on behalf of the Head or Government of a Foreign State or by private Life Saving Societies or Institutions, may be accepted and worn without His Majesty's special permission.

Application for His Majesty's permission to wear other Medals conferred by Private Societies or Institutions, and Commemorative Medals, cannot be entertained.

10. His Majesty will not grant permission to wear any Foreign War Medal if the person on whom it is to be so has been conferred was during the war acting in contravention of the Foreign Enlistment Act.

No. 846.—In exercise of the power conferred by the proviso to section 4 of the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), the Local Government hereby declare that all the provisions of the Act except section 69 (1) shall apply to the Sri Brahmananda Yateeswara Math at Jaggayyapet in the Nandigama taluk of the Kistna district, the average annual gross income of which including the income from endowments connected therewith for a period of five years immediately preceding the commencement of the Act was less than Rs. 500.

Fort St. George, June 6, 1928
(G.O. Mis. No. 2390, L. & M.)

No. 847.—The Board of Commissioners for Hindu Religious Endowments has brought to the notice of Government that the Sri Lakshminarayana Perumal temple at Krishnarayapuram, Kulittalai taluk, which is outside the scope of the Madras Hindu Religious Endowments Act, 1926, is in a neglected condition. It is reported that there is no trustee to look after the temple and its affairs, that the temple lands measuring 5 acres and 24 cents which formerly yielded an annual income of Rs. 500 are now in adverse possession and that consequently the temple has practically no income at present. In the circumstances, the Board recommends that in the interests of the temple it is essential that all the provisions of the Act except section 69 (1) (relating to

the levy of contribution towards the expenses of the Board) should be applied, so that a trustee may be appointed to look after it and steps taken to recover the temple lands. Before issuing a notification as suggested by the Board, the Government desire to know whether any worshipper at the temple has any objection to urge against such application. If no objection is received by the Government within a month from the date of publication of this notification in the District Gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act extending all the provisions of the Act except section 69 (1) to the said temple.

(G.O. Mis. No. 2391, L. & M.).

No. 848.—The Kurnool District Temple Committee has reported to the Board of Commissioners for Hindu Religious Endowments that the four temples mentioned in the appended schedule in the Nandyal taluk of the Kurnool district, the annual income of each of which is less than Rs. 250 and which are thus outside the scope of the Hindu Religious Endowments Act, 1926, are in an utterly neglected condition and that the archaka thereof has not only not been performing the services but is trying to alienate the inam lands granted for the maintenance and upkeep of the temples. At the suggestion of the Committee, the Hindu Religious Endowments Board requests the Government to apply to the temples all the provisions of the Act except section 69 (1) relating to the levy of contribution towards the expenses of the Board. Before issuing a notification as suggested by the Board, the Government desire to know whether the archaka of or any worshipper at these temples has any objection to urge against such application. If no objection is received by Government within a month from the date of publication of the notification in the District Gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 69 (1) to the said *temples*.

SALE OF TIMBER, FUEL, BAMBOO AND MINOR FOREST PRODUCE IN THE KURUPAM ESTATE OF VIZAGAPATAM DISTRICT.

THE right of felling, collecting and removing timber, fuel, bamboo and minor forest produce mentioned in schedule below will be sold in auction by the Manager, Kurupam Estate, at Kurupam on the dates specified in Schedule B.

2. No person will be allowed to bid at the auction unless he has previously deposited a sum of Rs. 100 as earnest money with the officer conducting the sale either in the shape of currency notes, cash or a challan duly receipted by the Estate Treasury, Kurupam. Every person who has furnished the above deposit should at the same time, that is, before he is allowed to bid further produce a certificate to the maximum amount he is solvent duly signed by the Tahsildar or Deputy Tahsildar within whose jurisdiction such person usually resides or owns properties. For this purpose those who wish to bid should apply to the Tahsildar or the Deputy Tahsildar as the case may be sufficiently early before the date of sale to obtain the solvency certificate and to produce it before the sale officer at the time of sale. The production of such solvency certificate will be insisted on whether the bidders are old or well known to the officer conducting the sale or whether they offer to pay the full amount of the bid in one instalment. No bidder should be allowed to compete for the sale when the amount to which he is a solvent is less than 50 per cent above his bid amount. No person will be allowed to bid for another or for himself and others, unless he holds a power of attorney duly executed in his favour authorizing him to bid on behalf of such other person.

3. The earnest money deposits of all unsuccessful bidders will be returned to them soon after the sales are finished; while those of the successful bidders will be retained and credited towards a portion of the last instalment.

4. All sales are subject to confirmation by the Estate Collector who reserves to himself the right of rejecting any bid including the highest bid without assigning any reason for so doing; if the sale amount exceeds Rs. 1,000, it is subject to confirmation by the Court of Wards.

5. The sale list shall be signed by the highest bidder of each mutta or coupe immediately after the sale is knocked down to his name and a certificate should also be appended thereto by him to the effect that he has read and understood the terms of the sale notice, that he agrees to abide by them and that no extension of the period of lease will be granted under any circumstances.

6. The highest bidder should deposit as security in the Kurupam Estate Treasury within seven days of the receipt of orders of confirmation by him 25 per cent of the sale amount subject to a maximum of Rs. 500 as guarantee for the due fulfilment of the contract, in the event of the bid being accepted. A written agreement should also be executed by him within 14 days from the date of receipt by him of the order sanctioning the sale which will be read out at the time of the sale and copies of which can also be previously inspected at the Range Office.

7. Unless and until the security deposit is furnished and the agreement executed as above the contractor will not be allowed to commence work in the leased area. Agreements should be stamped by the contractor and registered at his expense if required.

8. If the successful bidder fails to furnish the deposit referred to in paragraph 7 above, or to furnish security deposit or to execute the agreement referred to in paragraph 7 above or to get it registered within the specified time, the lease amount will either be recovered on distraint or such lease will be resold at the risk and loss of such bidder who will not only forfeit any deposit already furnished by him but will also be liable for the loss, if any, accruing by such resale. In the latter case, the security that will be forfeited will not count towards the loss if any by the resale. He will moreover not be entitled to any profit that may result from the resale. Any removal of produce by the contractor or his representative before the execution of the agreement will be treated as an offence punishable under the Forest Act.

9. The bid amount if not more than Rs. 500 should be paid within seven days from the date of receipt of confirmation order and if more shall be paid as below :—

(1) Above Rs. 500 and up to Rs. 1,000, Rs. 100 to be paid at the time of sale and the rest on or before the 1st October 1928.

(2) Above Rs 1,000, one-third to be paid at the time of the sale subject to a minimum of Rs 500, and the rest in two equal instalments on the 1st October 1928 and 1st January 1929.

These lease amounts should be paid as they fall due into the Korapam treasury, Kurupam, and the receipted challan sent so as to reach the Range Officer on or before the dates fixed for the payment of the instalments

10 If the instalments are not paid on the due dates work may be suspended until such time as the amounts are paid with interest and if the amounts are not paid within one month of their falling due, the Estate Collector may cancel the contract, forfeit the security deposit and resell the muttas or coupes at the risk of the contractor. The contractor will not be entitled to any extension of time on account of the suspension of the work nor to any revenue which may be collected departmentally during the suspension period

Interest will be charged at 6¼ per cent on all arrears instalments.

11. No post bids will be accepted on any account.

12. Intending bidders are expected to inspect the areas to be sold and their limits and satisfy themselves before attending the sales as to what they are going to bid for.

13. Intending bidders may obtain at any time further particulars regarding the sale at the Range Office, Kurupam.

14. The successful bidder will be put in possession of the block from the date of execution of the agreement.

15. The lessee will be held responsible for any felling within two hundred yards of his block.

16. In the event of the death of the successful bidder before executing the agreement the legal heirs will be bound to execute the same and abide by its conditions.

17. If the Estate Collector notices any irregularities in the working of the contractor he can suspend the contract till the mistakes are rectified or cancel it and resell at the risk of the contractor or fine the contractor up to a maximum of 25 per cent of the sale amount according to the gravity of the offence committed but no extension of the lease period will be granted.

18. Fractions of a rupee in the lease amount will be rounded off to the nearest rupee (that is fractions of less than half are disregarded and half a rupee and over are taken as a rupee).

19 The contractor should supply ryots agricultural implements for the bona fide domestic and agricultural purposes at 75 per cent of the current local market rates.

20 The boundaries of the areas advertised for sale will be read over to the bidders at the time of sale and entered in the agreement The paths through which removals should be effected will be notified at the time of sale.

21. The contractor should fell at his own cost all trees to be cut flush with the ground and all bamboos below the second node.

22. As little damage as possible is to be caused to the surrounding vegetation in felling and removal.

23. The period of lease is notified in Schedule B and will always end with 30th June 1929.

24. The contractor must protect the leased areas from fires and is bound to help the department in putting out fires in the forests.

25. He should submit monthly accounts to the Range Officer by the 20th of every month giving the kind and quantity of the produce removed by him

26. All removals from leased areas are to be effected on permits signed and issued by the contractor. The permit shall be supplied to the contractor at his own cost by the department. The issue of permit to consumers for felling and removal by themselves is not permitted and all felling must be carried out by the contractor's coolies.

27. The contractor shall not dispose of or sublet the lease or any part thereof without the written permission of the Estate Collector

28. The contractor shall be responsible for the acts of himself and his agent and of all persons authorized by either of them to fell, collect, store or remove the produce.
